RE: Israel Shotokan Ohshima Dojo, 50th Anniversary Celebrations and Special Training

DATE: October 4-8 2020

Dear Friends

I hope this finds you and your families healthy and Happy.

As you know, the corona pandemic has forced us to change our plans for Israel's 50th Celebrations, originally scheduled for August 2020.

This is the first formal announcement, following announcements will be with exact details.

We have decided to reschedule the event: it will take place between 4-8 October 2020, in a somewhat unique program and location.

- Program:

- 4-7 October: An International, momentous **Special Summer Training**
2 separate groups: before 50 and 50 and over years old. All Godans and other Seniors that are over 70 years old are well come to help, observe and participate as they feel.
- 7-8 October: **Israel Shotokan Ohshima Dojo 50th Anniversary Celebrations**, in the format of the international events, that will include: Kumite tournaments, demonstrations and Godan exams that will be conducted by the Shihans
- A joyous closing party in the special atmosphere of the Israeli desert.

- Location: the Israeli Negev, a unique desert region, most pleasant and quiet at that time of year.

We will begin the Special Training on October 4th morning.

We will arrange a shuttle to the Special Training and to the Event and back to Tel Area.

Please note that there is no need to reserve overnight accommodations for the rescheduled dates, since participants will be able to stay in the event area.

Those who have already booked rooms at Kfar Maccabiah for August, should contact the hotel directly to cancel these reservations. Please note: this is **your responsibility!**

The cost of the October event will be announced later, and it will be significantly lower than that of the original August event.

Refunds will, of course, be transferred promptly to those who have already paid for the cancelled event.

We will be pleased to see you in our celebrations, so... Save these dates!!!

Sincerely

Roy roitman

President Israel Shotokan
